Discord is putting its most public servers on the open web

Published 28 October 2026. Read the full story, sources and any updates at
digitaladvisors.com.au/journal/discord-discoverable-servers-web-search/

- [ ] **Check whether your server is Discoverable.** Only servers listed in Server Discovery, with at least 1,000 members, are affected.
- [ ] **Open Server Settings > Web Presence before 16 November.** Choose which public channels can appear on the web, or opt them all out.
- [ ] **Decide on Channel Summaries.** Pick the channels summaries draw from, curate them or turn them off; members' privacy settings don't stop summaries.
- [ ] **Review your Server Web Page.** Set it up or edit it now so the default page Discord creates on 16 November doesn't go live unchecked.
- [ ] **Tell your members.** Post an announcement explaining which channels may feed summaries from 16 November and show messages from mid-December.
- [ ] **Check your own setting.** In User Settings > Data and Privacy, confirm whether Channel Messages is on or off for your account.
