iPhone drivers can now talk to Gemini on Apple CarPlay

Published 12 November 2026. Read the full story, sources and any updates at digitaladvisors.com.au/journal/gemini-apple-carplay/

- [ ] **Update the Gemini app on your iPhone.** CarPlay support needs the latest version.
- [ ] **Allow microphone access for the Gemini app.** It's one of the three CarPlay requirements.
- [ ] **Try Gemini Live once on your phone.** The CarPlay app needs at least one Live chat on your iPhone first.
- [ ] **Switch on Daily Brief before you rely on it.** The in-car daily brief only works once it's enabled, and not for anyone under 18.
- [ ] **Check your Gemini activity settings.** Set auto-delete to three, 18 or 36 months, or turn Keep Activity off.
- [ ] **Don't say what you wouldn't type.** Car chats are saved like any Gemini chat, and kept 72 hours even with Keep Activity off.
