OAIC's new privacy guidance puts human-reviewed AI decisions in view

Published 30 September 2026. Read the full story, sources and any updates at digitaladvisors.com.au/journal/oaic-automated-decisions-privacy-guidance/

- [ ] **Check coverage.** Have the owner compare the business with the OAIC's small-business exemption and exceptions.
- [ ] **Map significant decisions.** Ask the service manager which software uses personal information to make or materially support decisions about people.
- [ ] **Question the supplier.** Request feature-specific information about data categories, outputs and human review for the processes being assessed.
- [ ] **Prepare the policy update.** Have the privacy lead assess those processes against the OAIC guidance and complete required disclosures before 10 December 2026.
