- [ ] **Check the transfer schedule in Square Dashboard.** Have the owner or bookkeeper review Automatic or Manual and the close-of-day setting under Transfer settings.
- [ ] **Recalculate recent Instant Transfer costs.** Multiply eligible proceeds sent instantly by 1.95% and keep the result separate from card-processing fees.
- [ ] **Check the account's actual instant-transfer limit.** Confirm the available amount before relying on an early transfer to meet a payment.
- [ ] **Agree who approves paid transfers.** Write down the business circumstances that justify paying for earlier access to funds.
- [ ] **Review processing and transfer costs together.** Bring Square's monthly tax invoice and the business's instant-transfer records to the next payment-cost review.
